

Clermont County's Most Wanted for Child Support

In combination with Clermont County's celebration of August as, "Child Support Enforcement Month," the Child Support Enforcement Division of the Department of Job and Family Services is requesting your help. The following are obligors who owe child support and for whom a bench warrant has been issued for failure to follow a court order. Anyone who has information which could lead to the apprehension of these individuals is asked to call 732-7248. Callers will remain anonymous. Information regarding these individuals will also be aired locally on Adelphia Cable, Channel 22. It is the Department's goal to see all these individuals arrested, or making substantial payments toward their child support obligations. Thank you for your cooperation and support of the Child Support Enforcement program.
